Re: SCP, Carlstadt, New Jersey

Dear Ms. Feldstein:

On March 4, 1986, our contractor, Dames & Moore, advised me that the EPA and NJDEP had not approved the project operations plan. Please discuss with the persons responsible for approval of the plan our need to have these approvals. Delays have already resulted in potential contract cost increases and scheduling problems. Thank you for your anticipated co-operation.

Very truly yours,

T. M. Armstrong
